**safe.
bio-based.
non-toxic.**

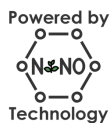

NEW INNOVATION IN NANOTECHNOLOGY MAKING PLANTS STRONGER THAN CHEMICALS.

Fruits and vegetables are coated with toxic waterproof substances designed to withstand rain or irrigation. Washing your vegetables with BIONANO's Fruit & Vegetable Wash is an extra measure that prevents food-borne illnesses, including those caused by bacteria such as Salmonella, Listeria and E. coli.

In addition, washing vegetables can eliminate any residue left by harmful pesticides. BIONANO's Fruit & Vegetable Wash is made of bio-based and non-toxic ingredients that will not harm your immune system, your family, or the environment.

It also eliminates salmonella, e-coli, listeria and many other viruses, while also being 100% natural, safe, biodegradable, and hypoallergenic,

All thanks to its amazing nanotechnology!
